Latest Wedding Fayre at Lydiard House a Resounding Success

More than 70 brides visited Swindon's historic Lydiard House 31st May to experience the unique atmosphere of the venue and gain advice and expertise from over 25 exhibitors that attended the event. Many of the visitors commented that this was the best Wedding Fayre they had visited in the area, and 3 brides took advantage of the special offers available and booked Lydiard House for their Wedding Day on the spot.

With the Civil Ceremony and Wedding Breakfast Rooms set out specially for the day, it was an ideal opportunity for prospective brides to experience the atmosphere of a wedding at a stately home set in acres of beautiful landscaped gardens and imagine how their own wedding will look on the big day. It also gave them the opportunity to meet the friendly and helpful staff who will provide all the support to make sure that their Wedding Day at Lydiard House will be a resounding success.

There was a full range of wedding services on display giving helpful advice including photographers, dressmakers, wedding cake specialists, chair covers, florists, cars, jewellers and a very thoughtful DJ who brought along a chocolate fountain for all budding brides to sample.

The Lydiard House wedding and events team, led by Sophie Mayes, were on hand throughout the evening to give every visitor the benefit of the experience they have gained managing a whole range of weddings from small intimate family celebrations to the grandest of celebrations.

Sophie commented, "Every bride wants their wedding day to be very special so we're here to give it that personal touch and make sure that everything goes according to plan. We make

sure that the day will go smoothly so the bride, groom and all the guests can really enjoy a day they will never forget.”

Ashwin Roda, general manager of Lydiard House added, “It was a risk holding a Wedding Fayre mid-week on a Thursday evening, but many more people are now aware of Lydiard House as a wedding venue. With three confirmed bookings and several other brides expressing real interest, it was a risk well worth taking, so I’d like to thank our sales team for all their hard work in making it a really successful event”.
