

Prize time for walkers

A TRIO of walkers who helped raise more than £30,000 for a hospice which cares for the terminally ill have been rewarded for their efforts after winning a prize draw.

More than 350 women took to the Letchworth GC streets at night guided by male marshals for the annual Starlight Walk in September in aid of the Garden House Hospice. Those who returned their sponsorship forms within a month of the event – which raised more than £32,000 in total – were entered into a sponsored prize draw with three lucky ladies chosen at random.

First prize went to Karen Perkins who won an afternoon tea for four
