

Free 'taster' golfing sessions at Wyboston Lakes Golf Centre

Wyboston Lakes Golf Centre is holding free golf 'taster' sessions in August for people who have never tried golf but want to get the flavour of the game. Participants will receive expert tuition from Wyboston's golf professional who will teach them how to hit long shots on the driving range and then move to the short game for chipping and putting

Principal golf professional Paul Ashwell explained why he is introducing the taster sessions. "Following the success of Rory McIlroy in the US Open and Darren Clarke in the British Open we have seen a surge of interest from people wanting to learn the game. Many people who take up golf say to me that they wished they had discovered golf years ago, so we have introduced these sessions especially for people who are looking for a new hobby or who have newly retired and have time on their hands."

Paul has been selected by Golf Monthly as one of the top 25 golf coaches in the UK and is an England National Squad Coach. He has been actively involved in the coaching of Hertfordshire golfing talent Tom Lewis, who at the age of 20 qualified for the 2011 British Open and won silver medal for best amateur golfer.

The two-hour sessions will be run on Sat 13th, Sunday 14th, Thursday 18th, Saturday 20th, Sunday 21st and Thursday 25th August and golfing equipment will be provided free of charge. For further information please contact the pro shop at Wyboston on 01480 223004.
